Enrichment Classes for Under 3's

Existing Students: Please contact us for your special rates!

Musical Foundations

Ages 2.5 – 3 Years (Transition - Carer on site)
(Ratio 1:6)

Bring out your child's musical side as we focus on developing the foundations of **musical play through instrument exploration**. Children will delve into a world of song, music and percussion instrument play as we stimulate their early musical skills; **ear training, rhythmic sense and singing**. Utilizing a host of musical influences from around the world, our expert musicians will have your children exploring everything music has to offer, through music games and rhythmic activities.

Little Legends Sports (60 minutes)

Ages 18 months - 3 years (Carer on site)
(Ratio 1:10)

Get your body moving while developing your hand-eye coordination, balance and sportsmanship. In this multi-sport programme, children will get used to using their hands and feet while learning the basics of **basketball, football, rugby, general athletics and more!** With classes running entirely in English, the children will also develop their sports vocabulary and **learn to coordinate their movements as a group as well as individually around others!**

Mandarin Play

Ages 2.5 – 3 Years (Transition - Carer on site)
(Ratio 1:9)

Join our Mandarin specialists in classes that expose children to a language programme that establishes a **natural joy and curiosity for Mandarin**. Our holistic and practical approach to learning Mandarin allows for children to actively experience the language for themselves through weekly thematic explorations and the gentle introduction of traditional Chinese culture to the classroom.

We explore a variety of classroom activities that aid with the **retention of 'everyday' and formal Mandarin in the early stages** of nurturing confident and proficient communicators who are accepting and appreciating of different cultures.

Art Explorers (45 minutes)

Ages 2.5 – 3 Years (Transition - Carer on site)
(Ratio 1:9)

Children begin to explore our Art studio with further independence and interest, discovering, observing and sharing their own creative decisions in every class. While working with a **vast array of materials and art concepts** throughout each term, children will flourish in furthering their **sensory and artistic journey** – beginning to understand the process of creating art in a fun and low ratio environment.
